

YOUTH GROUP

Fall 2017

October 15th – Apple Picking & Cider Making

We will travel to Natalie Cassel's family farm / orchard and pick apples. We will then turn them into cider. If we are able to make enough, we will donate it to the International Service Center's Food Bank.

November 12th – Worship & Work at Christ Lutheran Church

Many of you participated in this year's Harrisburg mission trip. One of the work sites was Christ Lutheran Church where we did A LOT of sweaty good work. In November, we will return on a Sunday morning for worship and worship as the Lutherans worship. We'll then have lunch together (maybe even at Taco's Mi Tierra again) and offer our time to do a little more work around the church and Medical Clinic.

December 3rd – Bistro!

The youth have worked Bistro for years and years. As the date approaches, we'll sign up to work either the lunch or dinner shift as bread servers, waiters, or maybe help in the kitchen or with dishes.
